PLASTIC CRATES FOR BEER AND SOFT DRINKS

Categories: Beer and Beverages

PRODUCT DESCRIPTION

Schoeller Plast produce plastic crates customised to each customer. The crates are produced for beer and soft drinks but also for many other purposes and types of bottle.

The plastic crates are produced in all colours and in different sizes – respectively with 12, 15, 24, and 30 bottles in each crate. They are available with or without silk printing or IML (In Mould Labelling) for branding of messages and logos.
